**WILSON BANK HOLDING COMPANY  
LEBANON, TENNESSEE  
PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Wilson Bank Holding Company (the Company) of proxies for the Annual Meeting of Shareholders of the Company to be held on Tuesday, April 11, 2006, at the Company's main office, 623 West Main Street, Lebanon, Tennessee 37087, at 7:00 p.m. (CDT). This proxy material was first mailed to shareholders on or about March 13, 2006.

All valid proxies which are received will be voted in accordance with the recommendations of the Board of Directors unless otherwise specified thereon and will be voted **For** election of the director nominees set out below. A proxy may be revoked by a shareholder at any time prior to its use by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Only holders of record of the Company's common stock, par value \$2.00 per share (the Common Stock), at the close of business on February 15, 2006 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, the Company had 5,055,359 shares of Common Stock issued and outstanding, the holders of which are entitled to one vote for each share held on each of the matters to be voted upon at the Annual Meeting. The representation in person or by proxy of at least a majority of the outstanding shares entitled to vote is necessary to provide a quorum at the meeting. The directors shall be elected by a plurality of the votes cast in the election by the holders of Common Stock represented and entitled to vote at the Annual Meeting. Any other matters submitted to the shareholders but not proposed in this Proxy Statement, shall be approved by the affirmative vote of a majority of the votes cast by the holders of Common Stock represented and entitled to vote at the Annual Meeting. The Board of Directors of the Company does not know of any other matters which will be presented for action at the Annual Meeting other than those proposed in this Proxy Statement, but the persons named in the proxy (who are directors of the Company) intend to vote or act with respect to any other proposal which may be presented for action according to their best judgment. Abstentions and non-votes are accounted as present in determining whether a quorum is present. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. A non vote or abstention will have no effect on the approval of the nominees to the Company's board of directors.

The cost of solicitation of proxies will be borne by the Company, including expenses in connection with preparing, assembling, and mailing this Proxy Statement. Such solicitation will be made by mail, and may also be made by the Company's regular officers or employees personally or by telephone or other form of electronic communication. The Company may reimburse brokers, custodians and nominees for their expenses in sending proxies and proxy materials to beneficial owners.

Wilson Bank and Trust (the Bank) is located in Lebanon, Tennessee and is a wholly-owned subsidiary of the Company. Prior to March 31, 2005, the Company owned a 50% interest in Dekalb Community Bank and Community Bank of Smith County. On March 31, 2005 the Company acquired the minority interest in the subsidiaries by merging each of these banks with and into the Bank and issuing Wilson Bank Holding Company stock to the minority shareholders.

**Table of Contents****STOCK OWNERSHIP**

There are no persons who are the beneficial owners of more than 5% of the Company's Common Stock, its only class of voting securities.

The following table sets forth information regarding the beneficial ownership of the Company's Common Stock as of February 15, 2006 (unless otherwise noted), for:

each of our directors and nominees;

each of our executive officers named in the Summary Compensation Table; and

all of our directors and executive officers as a group.

The percentages of shares outstanding provided in the table are based on 5,055,359 voting shares outstanding as of February 15, 2006. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the SEC) and generally includes voting or investment power with respect to securities. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Shares issuable upon exercise of options that are exercisable within sixty days of February 15, 2006 are considered outstanding for the purpose of calculating the percentage of outstanding shares of Company Common Stock held by the individual, but not for the purpose of calculating the percentage of outstanding shares held by any other individual.

**Description of the Board and Committees of the Board**

The Company does not have an executive compensation or nominating committee. The Board of Directors of the Company also serves as the Board of Directors of the Bank. The Board of Directors of the Company and the Board of Directors of the Bank, based upon recommendations by the Personnel Committee, establish general compensation policies and programs for the Company and the Bank and determine annually the compensation to be paid to Company and Bank employees, including executive officers. The Board of Directors does not believe it is necessary to have a nominating committee because the Boards of Directors of the Company and the Bank act as a nominating committee for directors and officers of the Company and the Bank and develop general criteria concerning the qualifications and selection of directors and officers (including recommendations made by shareholders of the Company) and recommending candidates for such positions. All of the Company's directors participate in the consideration of director nominees.

Each potential director nominee is evaluated on the same basis regardless of whether he or she is recommended by management, by a director or by a shareholder. The Board of Directors has not adopted a policy with respect to minimum qualifications for directors. Rather, the Board of Directors annually reviews and determines the specific qualifications and skills that one or more directors must possess in the context of the then needs of the Board of Directors with respect to experience, expertise and age. Each of the nominees for director to be elected at the Annual Meeting was nominated and recommended by the Board of Directors.

**Table of Contents**

The Company has not received director nominee recommendations from any shareholders for the term commencing in 2006 and expiring in 2009. The Board of Directors will consider nominees recommended by shareholders, provided that such recommendations are submitted to the Board of Directors in writing and describe the reasons why the shareholder finds the recommended person to be a qualified candidate.

The Board of Directors of the Company has no standing committees. The Board of Directors of the Bank has ten standing committees consisting of the Audit, Executive, Personnel, Finance, Marketing, Building, Investment, Long Range Planning, Data Processing and Board Relations Committee. The Chairman of the Board of Directors of the Bank (Mr. Clemons) and Mr. Richerson are members of all of the committees with the exception that Mr. Clemons and Mr. Richerson are not on the Personnel Committee or the Audit Committee. The members of each committee are generally appointed in May of each year and serve until the following May. Therefore, the committee members identified below may not have been on each identified committee for the entire 2005 fiscal year. Unless otherwise provided below, the members identified below are the current members of the applicable committees.

*Audit Committee.* The Company does not have a separately-designated standing audit committee. The Bank, however, does have a separately-designated standing audit committee, composed of Messrs. C. Bell, Franklin and VanHooser with Mr. Griffith serving as Chairman. The Audit Committee reviews annual and interim reports of the independent auditors and provides advice and assistance regarding the accounting, auditing and financial reporting practices of the Company and the Bank. The Audit Committee operates pursuant to the terms of a charter which was adopted by the Board of Directors in December 2004 (the *Audit Committee Charter*). All of the Audit Committee's members are independent under the current listing standards of the New York Stock Exchange, except for Mr. C. Bell, whose son, Jack Bell, is the owner of Jack Bell Builders, a company to which the Bank paid 177,000 in the aggregate for construction projects in 2005 as described in more detail below. While the Board of Directors believes that certain of its audit committee members are financially literate and have a level of financial sophistication necessary to serve on the Audit Committee, it has determined that the Company does not have an *audit committee financial expert* as defined by the SEC's rules and regulations serving on the Audit Committee. The Board of Directors believes that at least one of the current members of the Audit Committee has a level of experience regarding banking operations and the application of generally accepted accounting principles as to provide valuable service to the Audit Committee in its role of overseeing the financial reporting process of the Company and the Bank. The Board of Directors further believes that the current members of the Company's Board of Directors provide a breadth of experience and level of community relationships that are important to the Company and that the Company does not believe that it could attract an additional director that meets the requirements of an *audit committee financial expert* who also has those similar relationships. In making its determination, the Board of Directors particularly considered the size and nature of the Company's business and the importance of knowledge of the local communities served by the Bank. The Audit Committee held seven meetings during 2005.

*Executive Committee.* The Executive Committee is composed of Messrs. C. Bell, Bentley, Trice, VanHooser with H. Patton serving as Chairman. The Executive Committee reviews corporate activities, makes recommendations to the Board of Directors on policy matters and makes executive decisions on matters that do not require a meeting of the full Board of Directors. The Executive Committee held twelve meetings during 2005.

*Personnel Committee.* The Personnel Committee, composed of Messrs. VanHooser, Freeman and Bentley with Mr. J. A. Patton serving as Chairman, considers and recommends to the Board of Directors the salaries of all Bank personnel, including the Named Executive Officers. This committee held five meetings during 2005.

*Finance Committee.* The Finance Committee is the credit review board of the Bank. This committee reviews loan applications meeting certain criteria and approves those found creditworthy. In addition, this committee reviews all loans that are funded. The committee is comprised of seven permanent members, Messrs. C. Bell, J. Bell, Bentley, Griffith and H. Patton with Mr. J. Comer serving as Chairman. Serving as temporary members of the committee in 2005 were Messrs. J.A. Patton and Franklin. In addition, Messrs. Trice and VanHooser served as advisory members for the entire fiscal year. The Finance Committee held thirteen meetings during 2005.

**Table of Contents**

*Marketing Committee.* The Marketing Committee is composed of Messrs. Franklin, H. Patton and Trice with Mr. J. Bell serving as Chairman. The Marketing Committee recommends the direction of the marketing efforts of the Company and the Bank. This committee held four meetings during 2005.

*Building Committee.* The Building Committee is composed of Messrs. Bentley, Griffith and J.A. Patton with Mr. VanHooser serving as Chairman. This committee makes recommendations to the Company's and the Bank's Boards of Directors on the immediate and future building needs of the Company and the Bank. This committee held five meetings during 2005.

*Investment Committee.* The Investment Committee is composed of Messrs. J. Bell, Bentley, Comer and H. Patton with Mr. C. Bell serving as Chairman. The Investment Committee reviews and directs the investment portfolio of the Bank. This committee held four meetings during 2005.

*Long Range Planning Committee.* The Long Range Planning Committee is composed of Messrs. J. Bell, Freeman, and H. Patton with Mr. Trice serving as Chairman. This committee explores strategic opportunities available to the Company and recommends the direction the Company should take on these matters. This committee held one meeting in 2005.

*Data Processing Committee.* The Data Processing Committee is composed of Messrs. Comer and J.A. Patton with Mr. Franklin serving as Chairman. The Data Processing Committee reviews the computer hardware and software needs of the Company and makes recommendations regarding purchases thereof to the Board of Directors. This committee held six meetings during 2005.

*Board Relations Committee.* The Board Relations Committee is composed of Messrs. J. Franklin, H. Patton and VanHooser with Mr. Bentley serving as Chairman. The board relations committee's primary responsibility is to plan for the Board of Director's future responsibilities and ensure that the Bank's Board of Directors meets the future needs of the Bank. The committee held three meetings during 2005.

During the fiscal year ended December 31, 2005, the Board of Directors of the Bank held fifteen meetings with the Board of Directors of the Company also meeting fifteen times. Each director attended more than 99% of the aggregate number of meetings of both the Bank's and the Company's Boards of Directors and the committees on which such director served. The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders. All of the Company's directors attended the 2005 Annual Meeting of Shareholders.

The Company's Board of Directors has established procedures for the Company's shareholders to communicate with members of the Board of Directors. Shareholders may communicate with any of the Company's directors, including the chairperson of any of the committees of the Board of Directors, by writing to a director c/o Wilson Bank Holding Company, 623 West Main Street, Lebanon, Tennessee 37087.

**Compliance with Section 16(a) of the Securities Exchange Act of 1934**

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who beneficially own more than ten percent of the Common Stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by federal securities regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms and written representations from certain reporting persons furnished to the Company, the Company believes that its officers, directors and greater than ten percent beneficial owners were in compliance with all applicable filing requirements.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED ABOVE.**

**Table of Contents****ITEM 2 OTHER MATTERS**

The Board of Directors is not aware of any other matters which may be brought before the Annual Meeting. However, if any matter other than the proposed matters properly comes before the meeting for action, proxies will be voted for such matters in accordance with the best judgment of the persons named as proxies.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM INFORMATION**

The Board of Directors has selected Maggart & Associates, P.C. to serve as the company's independent registered public accounting firm for the current fiscal year upon the recommendation of the Audit Committee. Maggart & Associates, P.C. has served in this capacity for the Company since 1987. A representative of Maggart & Associates is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

During the fiscal years ended December 31, 2005 and December 31, 2004, the Company incurred the following principal independent auditor fees:

	2005	2004
Audit Fees: <sup>(a)</sup>	\$ 156,230	\$ 226,836
Audit-Related Fees: <sup>(b)</sup>	\$ 11,519	\$ 12,935
Tax Fees: <sup>(c)</sup>	\$ 33,468	\$ 11,250
Other Fees:	-0-	-0-

(a) Includes fees related to the annual independent audit of the Company's financial statements, reviews of the Company's annual report on Form 10-K and quarterly reports on Form 10-Q and fees related to the audit of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

(b) Includes fees related to the audit of the Company's 401(k) plan and investment center reviews.

(c) Includes fees related to the preparation of the Company's tax returns and other tax related assistance.

The Audit Committee considered these fees and concluded that the performance of these services was consistent with Maggart & Associates' independence.

The Audit Committee also has adopted a formal policy concerning approval of audit and non-audit services to be provided by the independent auditor to the Company. The policy requires that all services Maggart & Associates, the Company's independent auditor, may provide to the Company, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee. The Audit Committee approved all audit and non-audit services provided by Maggart & Associates during fiscal 2005.

**Executive Salary Continuation Agreements**

The Company has entered into Executive Salary Continuation Agreements with certain of its senior executive officers, including Messrs. Clemons, Richerson, Whitaker and Squires, pursuant to which each such executive officer (or his or her beneficiaries) is entitled, if certain performance targets for the Bank are met, to receive annual payments for 15 years, upon retirement at age 65 or, if sooner, the death or disability of such executive officer. In the event that the executive officer resigns or is terminated without cause prior to age 65, he or she is entitled to receive the vested portion of such benefits, with vesting occurring at the rate of 6%, 6%, 6% and 6% per year from March 30, 1995, March 30, 1995, March 16, 1998 and August 21, 1996 for each of Messrs. Clemons, Richerson, Whitaker and Squires, respectively, if the required performance targets are met. As of December 31, 2004, Messrs. Clemons, Richerson, Whitaker and Squires were vested 52%, 52%, 36% and 48%, respectively. The performance target for each agreement is average return on assets for the Bank over the vesting period for each executive officer, as follows: 1.0% or better (100% of vested benefit); .9-.99% (90%); .8-.89% (80%); .7-.79% (70%) and below .7%, no benefit.

The amounts paid to a Named Executive Officer are dependent on the then current compensation for each such person at the time of retirement or termination and will also be reduced by a percentage of social security payments and 401(k) benefits paid to the Named Executive Officer during the time when the benefits are being paid and, as such, cannot be calculated with certainty at this time. By way of example, if a Named Executive Officer is employed by the Company for a period of 10 years and the average return on assets in each of those ten years is 0.99, then the Named Executive Officer would be entitled to receive fifty-four percent (54%) of his or her then current salary at termination, less (i) fifty percent of social security benefits paid to the named Executive Officer and (ii) one hundred percent of the employer contributed 401(k) benefits paid to the named Executive Officer.

Payment of the benefits is contingent on the executive officer not competing with the Bank for three years after termination of employment. In the event there is a change in control of the Bank or the Company, the benefits become fully vested without regard to the performance target or the non-competition agreement. A change in control is the acquisition of 50% or more of the shares of the Bank or the Company, or a merger, consolidation or similar transaction involving the Bank or the Company, or the cessation by either of their business activities or existence.

**DIRECTORS COMPENSATION**

The Company's directors are classified in three classes, with directors in each class serving for three year terms and until his successor has been duly elected and qualified. The Board of Directors of the Company also serves as the Board of Directors of the Bank. In 2005, each director received \$1,800 per month for his services as a director of the Company. In addition, each director of the Bank received \$850 per month for his services as a director of the Bank and \$450 for each committee meeting of the Bank he attended, not to exceed \$1,700 per month, as a member of the various committees on which he serves. In addition, fees of \$1,326 and \$1,404 were paid to each of the directors of the Company and the directors of the Bank, respectively, for attendance at Company and Bank planning retreats held during 2005. Messrs. Clemons, C. Bell and Comer received \$400 per month for serving on the Community Bank of Smith County Advisory Board. Messrs. Clemons, Trice, J. Bell and VanHooser received \$400 per month for serving on the Dekalb Community Bank Advisory Board.

**PERSONNEL COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

Decisions with respect to compensation of the Company's and the Bank's executive officers, including the Chief Executive Officer and the other named executive officers, for fiscal year 2005 were made by the Board of Directors of the Bank based upon recommendations by the Personnel Committee. Compensation of executive officers consists of a base salary, an annual bonus and matching and profit-sharing contributions under the Company's 401(k) plan (as well as health and disability insurance and other non-cash benefits similar to those of all employees of the Bank or Company and amounts contributed under the executive officer's Executive Salary Continuation Agreement). No member of the Personnel Committee served as an officer or employee of the Company or of any of its subsidiaries during 2005.

The overarching policy of the Personnel Committee and the Board of Directors in determining executive compensation, including the compensation of the Chief Executive Officer, is to attract and retain the highest quality talent to lead the Company and to reward key executives based upon their individual performance and the performance of the Bank and the Company. The Personnel Committee believes that providing incentives to and rewarding the performance of the Company's executive officers enhances the profitability of the Company.

In recommending the 2005 base salary of J. Randall Clemons, the Company's and the Bank's Chief Executive Officer, the Personnel Committee reviewed a Tennessee Banking Association (TBA) 2004 survey of compensation levels for Chief Executive Officers of Middle Tennessee banks or bank holding companies with assets of \$500-\$1 billion. Decisions regarding compensation were made in view of these sources of information with the intent to compensate the Chief Executive Officer with a comparable base salary.

The Personnel Committee further considered the Bank's and the Company's overall financial performance in 2004 in recommending Mr. Clemons' base salary. Mr. Clemons' base salary was increased 4.8% for the 2005 fiscal year. The asset growth of 9.9% for the 2004 year and the continued growth of the branch network of the company was a determining factor in determining Mr. Clemons salary.

The base salary for Mr. Richerson, Mr. Whitaker, Mr. Squires, Mr. Goodman and Mr. McDearman were based on similar criteria and considerations.

Executive officers are eligible for an annual cash bonus pursuant to a formula determined by the Board of Directors that is based upon the Company's net income for the fiscal year. In 2005, Mr. Clemons was eligible for, and received, \$6,000 for the first \$1.25 million of net income earned by the Company and \$5,000 for each additional \$250,000 of net income earned. Mr. Richerson was eligible for, and received, \$3,600 for the first \$1.25 million of net income earned by the Company and \$3,000 for each additional \$250,000 of net income earned. Mr. Whitaker, Mr. Squires, Mr. Goodman and Mr. McDearman were eligible for, and received, a bonus determined by the return of assets performance of the Bank which bonus was calculated on a basis consistent with the Bank's other employees. Messrs. Whitaker, Squires, Goodman and McDearman were also eligible to receive monthly cash payments under the Company's cash-based incentive plan upon the attainment of certain performance goals.

**Table of Contents**

Employees, including executive officers, also receive a matching grant of \$.35 from the Company for each one dollar (\$1) up to a maximum of 6% of the amount contributed each year by the employee to his or her 401(k) account. No employee is entitled to contribute more than \$14,000. The Company contributes additional funds into each employee's 401(k) account under a profit-sharing arrangement based upon each employee's base salary as a percentage of the Company's total payroll.

The compensation levels for fiscal year 2005 for members of management other than Mr. Richerson, Mr. Clemons were established by the Personnel Committee based upon the recommendation of the Company's Chief Executive Officer, J. Randall Clemons. Mr. Clemons' recommendations regarding these salaries were based on considerations and criteria similar to those described above.

In the opinion of the Board of Directors, these loans do not involve more than a normal risk of collectability or present other unfavorable features.
