**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS**

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Sunair Services Corporation (Company, us, our or we), of proxies to be used with respect to the matters to be voted upon at the Annual Meeting of Shareholders (Annual Meeting) to be held on February 7, 2007, at 11:00 a.m., local time, at the Hilton Hotel, 100 Fairway Drive, Deerfield Beach, Florida, 33441, and at any adjournments or postponements thereof.

The approximate date that this proxy statement and the enclosed form of proxy are first being sent to shareholders is January 10, 2007. You should review the information provided in this proxy statement together with our Annual Report on Form 10-KSB for the fiscal year ended September 30, 2006, which is being delivered to shareholders simultaneously with this proxy statement. The cost of solicitation of proxies is being borne by the Company.

PURPOSES OF THE ANNUAL MEETING

At the Annual Meeting, our shareholders will consider and vote upon the following matters:

- (1) the election of seven members to our Board of Directors, each to serve until the next Annual Meeting of Shareholders or until their successors have been duly elected and qualified; and
- (2) such other business as may properly come before the Annual Meeting and any and all adjournments or postponements thereof.

Our Board of Directors has approved the nomination of, and unanimously recommends that you vote to elect, each of the seven nominees to our Board of Directors.

As of the record date, January 5, 2007, 13,017,559 shares of our common stock were issued and outstanding. Only shareholders of record as of the close of business on such date will be entitled to notice of, and to vote at, the Annual Meeting. Proxies may be revoked at any time prior to the Annual Meeting by giving written notice of revocation to our corporate Secretary, by giving a later dated proxy, or by attending the Annual Meeting and voting in person.

Brokers who hold shares in street name for customers have the authority under the rules of the various stock exchanges to vote on certain items when they have not received instructions from the beneficial owners of our common stock. Brokers that do not receive instructions from such beneficial owners of our common stock are entitled to vote those shares with respect to Proposal 1. Shares for which brokers have not received instructions, and therefore are not voted with respect to a certain proposal, are referred to as broker non-votes.

Under Florida law and our Articles of Incorporation, the presence in person or by proxy of shareholders entitled to cast a majority of all votes entitled to be cast on the matters at the Annual Meeting constitutes a quorum. A share that is represented for any purpose is deemed present for quorum purposes. Therefore, abstentions and broker non-votes will count for purposes of determining if there is a quorum present at the Annual Meeting, will have no effect on Proposal 1 and will count as non-votes for any other business that may properly come before the Annual Meeting.

This proxy statement is first being mailed to our shareholders on or about January 10, 2007. A copy of our Annual Report on Form 10-KSB for the fiscal year ended September 30, 2006, except for exhibits, accompanies this proxy statement and is incorporated in this proxy statement by reference. Upon request, we will provide copies of the exhibits to the Annual Report on Form 10-KSB at no additional cost. All requests for copies should be directed to our corporate Secretary c/o Sunair Services Corporation, 595 South Federal Highway, Suite 500, Boca Raton, Florida 33432.

VOTING SECURITIES

Date; Time; Venue

Our Annual Meeting of Shareholders (Annual Meeting) will be held on February 7, 2007, at 11:00 a.m., local time, at the Hilton Hotel, 100 Fairway Drive, Deerfield Beach, Florida, 33441.

Quorum

The presence, in person or by proxy, of the holders of shares representing a majority of the outstanding shares of our common stock will constitute a quorum.

Shareholder Vote Necessary to Approve Proposals

The affirmative vote of a plurality of the votes cast by our shareholders is required to approve the election of the seven nominees to our Board of Directors, as described in Proposal 1.

If any other matters should properly come before the Annual Meeting, proxies will be voted on these other matters in accordance with the judgment of the persons voting the proxies.

Proxy and Voting Mechanics

If you hold shares of our common stock at the close of business on January 5, 2007, the record date, you are entitled to vote at the Annual Meeting. Each share of our common stock is entitled to one vote upon all matters to be acted upon at the Annual Meeting. As of the record date, there were 13,017,559 shares of our common stock issued and outstanding.

Abstentions are considered as shares present and entitled to vote for purposes of determining the outcome of any matter submitted to the shareholders for a vote, but are not counted as votes cast for or against any matter. The inspector of elections will treat shares referred to as broker or nominee non-votes (shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary voting power on a particular matter) as shares that are present and entitled to vote for purposes of determining the presence of a quorum. For purposes of determining the outcome on proposals as to which the proxies reflect broker or nominee non-votes, shares represented by these proxies will be treated as not present and not entitled to vote on that subject matter. Accordingly, these shares would not be considered by the inspectors as shares entitled to vote on that subject matter and therefore would not be considered by the inspector when counting votes cast on the matter.

Your vote is important. Accordingly, you are urged to sign, date and return the accompanying proxy card whether or not you plan to attend the Annual Meeting. If you do attend, you may vote by ballot at the Annual Meeting, which will have the effect of canceling any proxy previously given.

If the enclosed proxy is properly signed, dated and returned, the shares represented by the proxy will be voted in accordance with the instructions on the proxy card. If no instructions are indicated, the shares represented by the proxy will be voted FOR the election of each of the nominees for director. If any other matters should properly come before the Annual Meeting, proxies will be voted on these other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred only by the granting of these proxies.

Any shareholder giving a proxy may revoke it by written notice to our corporate Secretary at the address provided above at any time before it is exercised. Attendance at the Annual Meeting will not have the effect of revoking the proxy unless this written notice is given or unless the shareholder votes by ballot at the Annual Meeting.

Costs of Proxy Solicitation

We will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to shareholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other

custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of shares of our common stock held by these persons. We will reimburse these persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, our officers and regular employees may solicit proxies without additional compensation by telephone or telegraph. We do not expect to pay any compensation for the solicitation of proxies.

PROPOSAL NO. 1

Our directors are elected annually at the Annual Meeting of Shareholders and hold office until their death, resignation, retirement, removal, disqualification, or the next Annual Meeting of Shareholders or until their successors are duly elected and qualified.

Information about each of the nominees is given below. If elected, each of the nominees shall serve until the next Annual Meeting of Shareholders, expected to be held in February 2008, or until their successors have been duly elected and qualified.

We have no reason to believe that any of the nominees will be unable to serve as director. Committees and Meetings of our Board

Audit Committee. The Audit Committee was the sole functioning committee of our Board of Directors during the fiscal year ended September 30, 2006. For more information about our Audit Committee and its Audit Committee Report, see *Audit Committee* beginning on page 15.

Nominating Committee. During the fiscal year ended September 30, 2006, we did not have a nominating or similar committee. By resolution of the Board of Directors, the Independent Board Members performed the functions of a nominating committee, including reviewing and recommending to the Board of Directors candidates for directors. On October 31, 2006, our Board of Directors unanimously agreed to establish a Nominating Committee and appointed Joseph S. DiMartino and Steven P. Oppenheim to serve on such committee beginning in Fiscal 2007. Mr. DiMartino will serve as the Chairman of the Nominating Committee. Our Board of Directors has determined that the members of the Nominating Committee are independent as defined by the American Stock Exchange Company Guide. The Nominating Committee has been assigned the functions of (i) soliciting, considering, recommending and nominating candidates to serve on the Board of Directors under criteria adopted by it from time to time; (ii) advising the Board of Directors with respect to its composition, procedures and committees; (iii) overseeing periodic evaluations of the Board of Directors and its committees, including establishing criteria to be used in connection with such evaluations; and (iv) reviewing and reporting to the Board of Directors on a periodic basis with regard to matters of corporate

governance. The Nominating Committee intends to, but has not yet adopted a charter.

If a shareholder wishes to recommend a nominee for director, written notice should be sent to the Corporate Secretary in accordance with the instructions set forth later in this proxy statement under the caption **Information Concerning Shareholder Proposals** beginning on page 19. Each written notice must set forth: (1) the name and address of the shareholder who is making the nomination; (2) the number of shares of our common stock which are beneficially owned by the shareholder and a representation that the shareholder is a holder of record of our common

stock entitled to vote at the annual meeting of shareholders and intends to appear in person or by proxy at the meeting and nominate the person specified in the notice; (3) the name of the director candidate; (4) a complete resume or statement of the candidate's qualifications (including education, work experience, knowledge of our industry, membership on the board of directors of another corporation and civic activity); (5) a description of all arrangements or understandings between the shareholder and the candidate and/or any other person or persons pursuant to which the nomination is to be made by the shareholder; (6) such other information regarding a candidate as would be required to be included in a proxy statement, including information with respect to a candidate's independence as defined under the rules and regulations promulgated by the Securities and Exchange Commission and the American Stock Exchange and information regarding the candidate's attributes that the Independent Board Members would need to consider in order to assess whether such candidate would qualify as an audit committee financial expert as defined by the rules and regulations promulgated by the Securities and Exchange Commission; and (7) the candidate's consent to serve as a director of our company if elected.

The suitability of potential candidates nominated by shareholders will be evaluated in the same manner as other candidates that are identified by the Nominating Committee. In making its nominations, the Nominating Committee will identify candidates who meet the current challenges and needs of the Board of Directors. In making such decisions, the Nominating Committee will consider, among other things, an individual's business experience, industry experience, financial background and experiences and whether the individual meets the independence requirements of the American Stock Exchange. The Nominating Committee will use multiple sources for identifying and evaluating nominees for directors including referrals from current directors, recommendations by shareholders and input from third party executive search firms.

Compensation Committee. During the fiscal year ended September 30, 2006, we did not have a compensation or similar committee. The Independent Board Members performed the functions of a compensation committee including reviewing and recommending to the Board of Directors the compensation of our executive officers, including salaries, bonuses and benefit plans. On October 31, 2006, our Board of Directors unanimously agreed to establish a Compensation Committee and appointed Joseph S. DiMartino and Steven P. Oppenheim to serve on such committee beginning in Fiscal 2007. The Compensation Committee has been assigned the functions of establishing salaries, incentives and other forms of compensation for executive officers and administers incentive compensation and benefit plans provided for employees.

The affirmative vote of a plurality of the votes cast by our shareholders is required to approve the election of each of the nominees set forth in this Proposal 1. You may vote in favor of, or you may withhold your vote from, the nominees. Votes that are withheld with respect to this matter will be excluded entirely from the vote and will have no effect, other than for purposes of determining the presence of a quorum.

Our Board of Directors unanimously recommends that you vote FOR the election of each of the nominees set forth in this Proposal 1.

Change in Control

On February 8, 2005, we closed a transaction with Coconut Palm, which we entered into on November 17, 2004. Coconut Palm purchased from us 5,000,000 units (Units) for an aggregate purchase price of \$25 million. Each Unit consisted of (i) one share of our common stock, (ii) one warrant to purchase one share of our common stock at an exercise price of \$6 per share with a term of three years and (iii) one warrant to purchase one share of our common stock at an exercise price of \$7 per share with a term of five years. Coconut Palm obtained the \$25 million in a private placement of its equity. Following the closing of the transaction, Coconut Palm beneficially owned 15 million shares, or approximately 78.9% of our then outstanding shares of common stock. Currently, Coconut Palm beneficially owns approximately 64.8% of our outstanding shares of common stock.

Employment Agreements

John J. Hayes. In connection with a Purchase Agreement dated November 17, 2004, between us and Coconut Palm, we entered into an employment agreement with John J. The employment agreement provides that Mr. Hayes is entitled to receive \$325,000 in annual salary, which may be increased at the discretion of the Board of Directors. Mr. Hayes will also be entitled to participate in our equity-based compensation plans and shall be entitled to other employee benefits to the same extent as our other similarly situated senior executives. Mr. Hayes' employment agreement has a term of four years; however, such term may be further extended by us and Mr. Hayes in writing. Either we or Mr. Hayes may terminate his employment agreement upon 60 days prior notice. However, if we terminate the employment agreement without cause, or Mr. Hayes terminates his employment agreement with cause, we are required to pay Mr. Hayes severance payments at the rate of his salary in effect on the date of termination for two years. Upon a change in control, all options previously granted to Mr. Hayes will automatically vest and if he terminates his employment with us with cause within one year after a change in control, he will be entitled to the two years of severance payments. However, no transaction will be considered to be a change in control for purposes of triggering these severance obligations if the transaction involves a pest and termite control services company or relates to any existing or former business segment or division in which we operate, or if the change in control is procured, directly or indirectly, by Mr. Hayes, Richard C. Rochon, Mario B. Ferrari, Coconut Palm, any then existing executive officer or director of us or any former executive officer or director previously

affiliated with us during the six month period prior to the specified change in control and/or any affiliates of the foregoing.

However, if we fail to make these severance payments, Mr. Hayes' noncompete obligations will no longer be in effect.

Upon a change in control, all options previously granted to Mr. Clendenin will automatically vest and if he terminates his employment with us with cause within one year after a change in control, he will be entitled to the two years of severance payments. However, no transaction will be considered to be a change in control for purposes of triggering these severance obligations if the transaction involves a pest and termite control services company or relates to any existing or former business segment or division in which we operate, or if the change in control is procured, directly or indirectly, by Mr. Clendenin, Richard C. Rochon, Mario B. Ferrari, Coconut Palm, any then existing executive officer or director of us or any former executive officer or director previously affiliated with us during the six month period prior to the specified change in control and/or any affiliates of the foregoing, or the change in control relates to any collateral assignment of pledge of the stock and/or assets of Sunair Pest Holdings to secure obligations of Sunair Pest Holdings and/or any of its affiliates.

Mr. Clendenin will be further subject to a two-year noncompete covenant to the extent his employment is terminated in a manner that does not entitle him to the severance payments described above. Mr. Clendenin will also be subject to a two-year noncompete covenant to the extent his employment is terminated in a manner that does entitle him to the severance payments described above. However, if we fail to make these severance payments, Mr. Clendenin's noncompete obligations will no longer be in effect.

Pursuant to the employment agreement, we agreed to make available up to 300,000 options to purchase shares of our common stock to employees of Middleton, including Mr. Clendenin, subject to approval by our Board of Directors. The Board of Directors approved a grant of 47,625 options to Mr. Clendenin.

CORPORATE GOVERNANCE

We operate within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. We regularly monitor developments in the area of corporate governance. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002, which, among other things, establishes, or provides the basis for, a number of new corporate governance standards and disclosure requirements. In addition, the American Stock Exchange has recently enacted changes to its corporate governance and listing requirements which changes have been approved by the Securities and Exchange Commission. In response to these actions, our Board of Directors has initiated the below actions consistent with the new rules.

Independent Directors

The Board of Directors has determined that the following four individuals of the existing members of the Board of Directors are independent as defined by the American Stock Exchange Company Guide: Joseph Burke, Joseph S. DiMartino, Arnold Heggstad, Ph.D. and Steven P. Oppenheim (Independent Board Members).

Code of Ethical Conduct

We have adopted a Code of Ethical Conduct that includes provisions ranging from restrictions on gifts to conflicts of interest. All employees are bound by this Code of Ethical Conduct, violations of which may be reported to the Audit Committee. The Code of Ethical Conduct includes provisions applicable to our senior executive officers consistent with the Sarbanes-Oxley Act of 2002. This Code of Ethical Conduct is available on our website <http://www.sunairservices.com>. We intend to post on our website amendments to or waivers from our Code of Ethical Conduct. Our internet website and the information contained in it are not incorporated into this proxy statement.

Personal Loans to Executive Officers and Directors

We comply with and will operate in a manner consistent with recently enacted legislation prohibiting extensions of credit in the form of a personal loan to or for our directors and executive officers.

Communications with Shareholders

Our Board of Directors provides a process for shareholders to send communications to the Board of Directors or any of the directors. Shareholders may send written communications to our Board of Directors or any director c/o our corporate Secretary c/o Sunair Services Corporation, 595 South Federal Highway, Suite 500, Boca Raton, Florida 33432. All communications will be compiled by our corporate Secretary and submitted to our Board of Directors or the individual directors on a periodic basis. It is our policy that the directors who are up for election at the Annual Meeting of Shareholders attend the Annual Meeting of Shareholders. All of the nominees up for election at the 2005 Annual Meeting of Shareholders attended the 2005 Annual Meeting of Shareholders.

Audit Committee

Our Audit Committee assists our Board of Directors in monitoring the integrity of our financial statements and compliance with requirements as set forth in the Statement of Auditing Standards. Its responsibilities include the maintenance of free and open communications among the directors, the independent auditors and financial management of our company.

The members of our Audit Committee are Joseph Burke, Arnold Heggstad, Ph.D. and Steven P. Oppenheim. Mr. Burke was elected to the Audit Committee on October 31, 2006. Messrs. Burke, Heggstad and Oppenheim are each standing for election at the Annual Meeting. After reviewing the qualifications of the current members of our Audit Committee, and any relationships they may have with us that might affect their independence from us, our Board of Directors has determined that: (1) all current committee members are independent as that concept is defined in the applicable rules of the American Stock Exchange and the Securities and Exchange Commission; (2) all current committee members are financially literate, and (3) all current committee members qualify as an audit committee financial expert under the applicable rules of the Securities and Exchange Commission. In making the determination as to Messrs. Burke's, Heggstad's and Oppenheim's status as an audit committee financial expert, our Board of Directors determined they have accounting and related financial management

expertise within the meaning of the aforementioned rules as well as the listing standards of the American Stock Exchange. Our Board of Directors has adopted a written charter for the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61. In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended September 30, 2006 for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Family Relationships

There is no family relationship between or among any of our directors and executive officers.

Related Transactions

On August 6, 2004, we acquired all of the outstanding stock of Percipia, Inc., an Ohio Corporation, and its wholly owned subsidiary, Percipia Networks, Inc. (collectively, "Percipia"), from the Percipia shareholders. The consideration paid consisted of \$660,000 cash and 190,000 shares of our common stock. One of our directors, Michael D. Herman, received \$217,800 in cash and 62,700 (10% of which are subject to a hold-back for indemnity claims) shares of our common stock in exchange for his 55,182 shares of Percipia in connection with the acquisition. The terms of the transaction were determined in arm's length negotiations between us and the Percipia shareholders and approved by the disinterested members of our Board of Directors and our Audit Committee. The Audit Committee received a fairness opinion from an investment banking firm stating that the total consideration to be paid in the transaction in exchange for Percipia's stock was fair from a financial point of view to our shareholders and option holders. Also in connection with the acquisition, we agreed to liquidate approximately \$1,600,000 of Percipia's debt, representing substantially all of Percipia's long term debt. This included satisfaction of notes held by Mr. Herman for approximately \$607,000, including accrued interest.

As described under the caption "Change in Control" beginning on page 11, on February 8, 2005, we closed a transaction with Coconut Palm, which we entered into on November 17, 2004, pursuant to which Coconut Palm purchased from us 5,000,000 Units for an aggregate purchase price of \$25 million. In consideration of Mr. Herman's efforts on behalf of our company in connection with the equity investment by Coconut Palm, the Board of Directors unanimously voted

to award to Mr. Herman a bonus in the amount of \$75,000, payable upon the closing of the Coconut Palm transaction.

Effective upon the closing of the Coconut Palm transaction, we entered into a management services agreement with an affiliate of Coconut Palm, RPC Financial Advisors, LLC (RPC), pursuant to which RPC agreed to provide management services for us. We have agreed to pay RPC a management fee in the aggregate amount of

\$1,562,500 per year. Richard C. Rochon and Mario B. Ferrari, both of whom are affiliates of Coconut Palm and each of whom are members of our Board of Directors and principal shareholders of our company, are also affiliates of RPC.

On June 7, 2005, our subsidiary, Sunair Pest Holdings, acquired all of the outstanding stock of Middleton from the Middleton shareholders. The aggregate consideration paid consisted of: (i) \$35.0 million in cash; (ii) \$5.0 million in the form of a subordinated promissory note; and (iii) 1,028,807 shares of our common stock, which was determined by dividing (x) \$10.0 million by (y) the average closing price of a share of our common stock as reported on the American Stock Exchange for the thirty (30) consecutive trading day period ending the second trading day immediately prior to the closing (collectively, the Transaction Consideration). The Transaction Consideration was allocated pro rata among the shareholders of Middleton. As shareholders of Middleton, a trust controlled by Gregory Clendenin received 205,761 shares of our common stock, \$7.0 million in cash and \$1.0 million principal amount of a subordinated note and Charles Steinmetz and certain irrevocable family trusts received 823,046 shares of our common stock, \$28.0 million cash and \$4.0 million principal amount of a subordinated promissory note in exchange for their shares of Middleton in connection with the acquisition. In connection with the completion of the acquisition of Middleton, Mr. Clendenin became the CEO of Sunair Pest Holdings and Middleton and Mr. Steinmetz became a director of our company.

On September 8, 2006, we completed the sale of substantially all of the assets of Sunair Communications, Inc., our wholly-owned subsidiary through which we previously operated our high frequency single sideband communication business, to Sunair Holdings, LLC, a Florida limited liability company. The aggregate consideration received by us consisted of \$3.7 million in cash and \$2.0 million in the form of a three year subordinated promissory note issued by Sunair Holdings and made payable to Sunair Communications. Effective upon the closing, Synnott B. Durham resigned as our Chief Financial Officer and an officer and director of Sunair Communications, and James E. Laurent resigned as an officer and director of Sunair Communications. Messrs. Durham and Laurent are also affiliates of Sunair Holdings. As affiliates of Sunair Holdings, Messrs. Durham and Laurent have jointly and severally guaranteed the payment of the promissory note. In connection with the sale, we also repurchased from Mr. Durham 17,000 shares of our common stock, and we repurchased from Mr. Laurent 36,000 shares of our common stock. The proceeds were credited toward the cash portion of the purchase price at the closing. The purchase price for the repurchased shares was determined by multiplying the number of shares by the average closing price of a share of our common stock as reported on the American Stock Exchange for the 30 consecutive trading day period ending the second trading day immediately prior to the closing.
