NOTES TO FINANCIAL STATEMENTS

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying unaudited financial statements of S2 Golf Inc. (the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial reporting. In the opinion of management, all material adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three months ended March 30, 2001 are not necessarily indicative of the results that may be expected for the fiscal year ending December 31, 2001. The unaudited financial statements and related notes are presented as permitted by Form 10-Q and do not contain certain information

## Edgar Filing: S2 GOLF INC - Form 10-Q

included in the Company's annual financial statements and notes thereto. For further information, refer to the Company's annual financial statements and notes thereto included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2000.

### 1) EARNINGS PER SHARE

Basic earnings per share ("EPS") excludes dilution and is computed by dividing net income available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted EPS reflects the potential dilution that could occur if stock options or other contracts to issue common stock were exercised and resulted in the issuance of common stock that then shared in the earnings of the Company. Diluted EPS is computed using the treasury stock method when the effect of common stock equivalents would be dilutive. The only reconciling item between the denominator used to calculate basic EPS and the denominator used to calculate diluted EPS is the dilutive effect of stock options issued to employees of the Company and other parties. The Company has issued no other potentially dilutive common stock equivalents.

### 2) INVENTORIES

Inventories are valued at the lower of cost, determined on the basis of the first-in, first-out method, or market.

Inventories at March 30, 2001 and December 31, 2000 consisted of the following components:

	3/30/01	12/31/00
	-----	-----
Raw Materials	\$4,261,107	\$3,404,600
Finished Goods	799,590	641,522
	-----	-----
	\$5,060,697	\$4,046,122
	=====	=====

### 3) SHORT TERM BORROWINGS

The Company has a secured revolving line of credit allowing a maximum credit limit of \$8,000,000, less 50% of the aggregate face amount of all outstanding letters of credit, and subject to various borrowing bases through September 30, 2003. The availability of funds under this line of credit varies as it is based, in part, on a borrowing base of 80% of eligible accounts receivable and 60% of qualified inventory. Substantially all of the Company's assets are used as collateral for the credit line. Interest rates are

-4-

7

at prime plus one-quarter percent, paid monthly; the interest rate was 8.25% as of March 30, 2001 and 9.75% as of December 31, 2000. The Company's availability on the line of credit, as of March 30, 2001, was approximately \$325,130.

The credit facility contains certain covenants, which, among other items, require the maintenance of certain financial ratios including tangible net worth and working capital. Any event of default under the credit facility permits the lender to cease making additional loans thereunder. The Company was in compliance with all covenants and conditions of the facility as of March 30, 2001.

## Edgar Filing: S2 GOLF INC - Form 10-Q

### 4) QUARTERLY ENDS

The Company reports its interim financial statements as of the Friday closest to month-end of the quarter. Therefore, the interim quarters for fiscal 2001 will end on March 30, 2001, June 29, 2001, and September 28, 2001. The Company reports its year-end financial statements as of December 31.

### ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

#### RESULTS OF OPERATIONS

Net Sales for the three-months ended March 30, 2001 were \$4,521,595, compared to \$2,864,670 for the same period in 2000. Management attributes this 57.8% increase in sales over the same period in the prior year primarily due to the acquisitions of the Nancy Lopez and Lady Fairway product lines. These acquisitions accounted for approximately \$1,775,000 of the \$1,656,925 increase, offset by a decline of approximately \$118,000 in the Square Two brand. The primary reason for the decline in the Square Two brand was a softening of demand for the men's clubs. The Square Two women's clubs increased 15%.

Gross profit as a percentage of sales for the three-month period ended March 30, 2001 was 41.4%, as compared to 33.2% for the same period in 2000. Management attributes this increase to the higher margin sales of the Nancy Lopez Golf brand and the Lady Fairway brand along with lower component pricing for the Square Two brand.

Selling expenses for the three-month period ended March 30, 2001 were \$823,633, compared to \$433,134 for the same period in 2000. This three-month difference is the result of increased expenses of approximately \$142,000 due to the Lady Fairway acquisition, as well as increased PGA show expense, advertising, public relations and commissions. In addition, the Company incurred player endorsements during the three-month period ended March 30, 2001 that did not exist in the three-month period ended March 31, 2000, which was approximately \$50,000.

General and Administrative expenses for the three-month period ended March 30, 2001 were \$661,459, compared to \$306,153 for the same period in 2000. This is due primarily to increased expenses of approximately \$142,000 due to Lady Fairway acquisition as well as increased salaries and wages, printing, professional and legal fees and amortization of goodwill for both Nancy Lopez Golf and Lady Fairway.

Interest expense for the three-month period ended March 30, 2001 was \$109,770, compared to \$20,691 for the same period in 2000. The average loan balance for the three-month period ended March 30,

-5-

8

2001 was \$4,379,130 compared to an average loan balance of \$1,179,442 for the three-month period ended March 31, 2000. This increase in the average outstanding balance resulted mainly from the Nancy Lopez Golf acquisition, as well as from increased inventory. The Nancy Lopez Golf acquisition, which occurred on July 31, 2000, was a cash purchase of approximately \$3,645,000 after post-closing adjustments, which the Company funded with a term loan of \$900,000 and the existing line of credit. Interest expense for the three-month period ended March 30, 2001 also includes \$25,000 projected interest expense on the Promissory Note with a maturity date of December 31, 2001 that the Company issued in connection with the Lady Fairway acquisition.

## Edgar Filing: S2 GOLF INC - Form 10-Q

Other Income for the three-month period ended March 30, 2001 was \$40,459 compared to \$0 for the same period in 2000. This increase is due to royalty income from international distributors.

The Company's net income for the three-month period ended March 30, 2001 was \$173,928, compared to \$114,037 for the same period in 2000. This increase is the result of a 57.8% increase in net revenue, gross margins improving to 41.4%, offset by increased sales, general and administrative, interest and other expense due to the Nancy Lopez and Lady Fairway acquisitions.

### FINANCIAL CONDITION AND LIQUIDITY

The Company's working capital increased by \$188,130 for the three-month period ended March 30, 2001. Current assets increased by \$2,229,860, offset by an increase in current liabilities of \$2,041,730. Accounts receivable increased by approximately \$1,053,000, inventory increased by approximately \$1,015,000 for the three-month period ended March 30, 2001, which was typical for the Company due to the cyclical nature of the golf industry. In addition, prepaid expenses increased approximately \$142,000. The Company's short-term borrowing increased by approximately \$1,563,000, which was a result of the acquisitions, as well as increased inventory. In addition, accounts payable increased by approximately \$578,000 for the three-month period ended March 30, 2001.

Cash used by operations was \$1,299,907 and \$402,633 for the three-month period ending March 30, 2001 and March 31, 2000, respectively. Cash provided by financing activities totaled \$1,343,581 for the three-month period ended March 30, 2001 and \$427,997 for the same three-month period in 2000. During the three-month period ended March 30, 2001 cash used for the payment of equipment purchased was \$35,357 and \$25,364 respectively. Cash paid for interest charges on short and long-term borrowings was \$138,136 and \$20,691 for the three-month periods ended March 30, 2001 and March 31, 2000, respectively.
