On July 25, 2005, Inter-Tel, Incorporated (the Company) issued a press release announcing financial results for the second quarter ended June 30, 2005 and comparing such results with the results for the second fiscal quarter ended June 30, 2004.

Use of Non-GAAP Financial Information

Acquisition of Ireland subsidiaries (Lake acquisition) and write-off of In-Process Research and Development costs. The 2005 six months ended June 30, 2005 operating income included a write-off of in process research and development (IPRD) costs of \$2.6 million, which reduced net income by \$2.6 million, or \$0.09 per diluted share after tax. This write-off reflected the IPRD costs associated with the Company s Lake acquisition in March 2005. The IPRD write-off is not deductible for income tax purposes. Also provided are operating results of our acquired Lake operations for the second quarter and six months ended June 30, 2005. These non-GAAP condensed consolidated statements of operations are provided to enhance overall understanding of our current financial performance and how we view our operating results. The presentation of this non-GAAP information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP and is not necessarily comparable to non-GAAP results published by other companies.

A copy of the press release is hereby furnished as Exhibit 99.1 and is incorporated herein by reference.
