-

Item 2.02 Results of Operations and Financial Condition.

On May 7, 2009, Medicis Pharmaceutical Corporation (the Company) issued a press release announcing its financial results for the quarter ended March 31, 2009. A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated by reference herein.

The information in this Item 2.02, including the accompanying exhibit, is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Item 2.02 shall not be incorporated by reference into any registration statement or other document filed pursuant to the Securities Act of 1933, as amended, regardless of any general incorporation language in such filing.

Item 8.01 Other Events.

On May 6, 2009, the Company received a Paragraph IV Patent Certification from Ranbaxy Laboratories Limited (Ranbaxy) advising that Ranbaxy has filed an Abbreviated New Drug Application (ANDA) with the U.S. Food and Drug Administration (FDA) for generic SOLODYN in its form of 135mg strength. Ranbaxy has not advised the Company as to the timing or status of the FDA's review of its filing, or whether it has complied with FDA requirements for proving bioequivalence. Ranbaxy's Paragraph IV Certification alleges that Ranbaxy's manufacture, use, sale or offer for sale of the product for which the ANDA was submitted will not infringe any valid claim of the Company's U.S. Patent No. 5,908,838 (the 838 Patent). The expiration date for the 838 Patent is 2018. The Company is evaluating the details of Ranbaxy's certification letter and considering its options.

Item 9.01 Exhibits.

(d) Exhibits

99.1 Press Release dated May 7, 2009.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
