**PROXY STATEMENT**  
**2006 ANNUAL MEETING OF STOCKHOLDERS**  
-----

I-trax, Inc., a Delaware corporation, is delivering these proxy materials in connection with the solicitation of proxies by the board of directors of I-trax for its 2006 annual meeting of stockholders and any adjournments or postponements of the meeting. The 2006 annual meeting will be held at 11:00 A.M., at the offices of Ballard Spahr Andrews & Ingersoll, LLP, 1735 Market Street, 42<sup>nd</sup> Floor, Philadelphia, Pennsylvania.

These proxy materials were first mailed to stockholders on or about April 19, 2006.

Sending a signed proxy will not affect a stockholder's right to attend the annual meeting and vote in person. Every stockholder has the power to revoke his or her proxy at any time before it is voted. The proxy, before it is exercised at the meeting, may be revoked by filing with I-trax's Secretary a notice in writing revoking it, by delivering a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

***Explanatory Note About I-trax Common Stock***

Effective January 3, 2003, I-trax completed a 1-for-5 reverse stock split. The board of directors and stockholders of I-trax authorized the reverse stock split in connection with the then pending application to list I-trax common stock on the American Stock Exchange. I-trax common stock began trading on the American Stock Exchange on January 15, 2003 under the symbol "DMX." The information presented in this proxy statement about the number of outstanding shares of I-trax common stock, historic information about the number of shares of common stock issued in connection with completed transactions and related prices, and option and warrant information has been adjusted to reflect the completed reverse stock split.

***Stockholders Entitled to Vote***

As of the record date, there were 36,268,386 outstanding shares of I-trax common stock and 570,253 outstanding shares of I-trax Series A Convertible Preferred Stock. Each share of Series A Convertible Preferred Stock converts into 10 shares of I-trax common stock and the holders of shares of Series A Convertible Preferred Stock are entitled to vote them at the 2006 annual meeting on an "as converted" basis. Each share of common stock is entitled to one vote.

***Quorum Required***

The presence, in person or by proxy, of stockholders entitled to cast at least a majority of the votes that all stockholders are entitled to cast on a particular issue constitutes a quorum for the transaction of business at the 2006 annual meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

***Vote Required***

***Proposal One - Election of Directors***

Directors are elected by a plurality of the affirmative votes cast by those shares present in person, or represented by proxy, and entitled to vote at the 2006 annual meeting. The eight nominees for director receiving the highest number of affirmative votes will be elected. Abstentions and broker non-votes will not be counted toward a nominee's total. Stockholders may not cumulate votes in the election of directors.

***Proposal Two - Ratification of Independent Auditors***

Ratification of Goldstein Golub Kessler LLP as I-trax's independent auditors for the fiscal year ending December 31, 2006 requires the affirmative vote of a majority of those shares present in person, or represented by proxy, and cast either affirmatively or negatively at the 2006 annual meeting. Abstentions and broker non-votes will not be counted as having been voted on the proposal.

***Proxies***

A form of proxy is enclosed. Frank A. Martin and Yuri Rozenfeld, I-trax's Chairman and Secretary, respectively, will act as proxy holders. All properly executed proxies received by I-trax's board of directors, and not revoked, will be voted as indicated in accordance with the instructions written on the proxies. In the absence of contrary instructions, shares represented by returned proxies will be voted for the election of the directors as described in this proxy statement, in favor of the ratification of Goldstein Golub Kessler LLP as I-trax's independent auditors, and, in the discretion of the proxy holders, on any other matters properly brought before the meeting.

***Solicitation of Proxies***

I-trax will bear all of the costs of soliciting proxies. I-trax will arrange with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of I-trax common stock and I-trax Series A Convertible Preferred Stock, and will reimburse these persons or institutions for expenses incurred in connection with this distribution. Directors, officers or employees of I-trax, none of whom will receive additional compensation, may solicit proxies in person or by telephone, facsimile, e-mail or other means. In addition, I-trax may retain Georgeson Shareholder Communications, Inc. to solicit proxies in connection with the 2006 annual meeting, if I-trax deems it appropriate to do so. If I-trax retains Georgeson Shareholder Communications, it will pay the firm approximately \$10,000 and reasonable out of pocket expenses.

***Householding***

Certain stockholders who share the same address may receive only one copy of this proxy statement and our 2006 Annual Report to Stockholders in accordance with a notice delivered from such stockholders' bank, broker or other holder of record, unless the applicable bank, broker or other holder of record received contrary instructions. This practice, known as "householding," is designed to reduce printing and postage costs. If you own your shares through a bank, broker or other holder of

record and wish to either stop or begin householding, you may request or stop householding, or you may request a separate copy of the proxy statement or the Annual Report, either by contacting your bank, broker or other holder of record at the telephone number or address provided in the above referenced notice, or contacting us by telephone at (610) 459-2405 or in writing to I-trax, Inc., 4 Hillman Drive, Suite 130, Chadds Ford, Pennsylvania 19317, Attention: Secretary. #### ***Board of Directors Meetings***

The board of directors of I-trax held eight meetings during 2005. Each director while serving in 2005, other than Dr. David Nash, attended more than 75% of the meetings of the board and its committees of which he or she is a member.

The board has determined that Ms. Lieberman, Dr. Nash and each of Messrs. Green, Mintz and Smith are independent, as defined in Section 121(A), as in effect on April 1, 2006, of the American Stock Exchange, or AMEX listing standards. As required by the AMEX listing standards, the independent directors meet at least annually in executive session without the non-independent directors and management.

#### ***Board of Directors' Committees***

The board of directors has a compensation committee, an audit committee, and a nominating and corporate governance committee. All members of the board, however, participate in the consideration of director nominees.

### *Compensation Committee*

The compensation committee, which is governed by a charter, is primarily responsible for determining the compensation payable to the officers and key employees of I-trax and recommending to the board additions, deletions and alterations with respect to the various employee benefit plans and other fringe benefits provided by I-trax. No member of the committee, however, may participate in decisions pertaining to his or her compensation or benefits in his or her capacity as a director of I-trax. The committee also is primarily responsible for administering I-trax's stock option plans, recommending stock options to the board at large with regard to I-trax's key employees and non-employee directors, and determining the terms and conditions on which the options are granted.

The compensation committee consists of two members - Mr. Green, chairman, and Ms. Lieberman. The committee did not hold a separate meeting in 2005. Members of the committee participated in other board meetings concerning compensation issues and recommended to the board and its independent directors a course of action at those meetings with respect to compensation. The board has determined that each of Mr. Green and Ms. Lieberman is independent, as defined in Section 121(A), as in effect on April 1, 2006, of the AMEX listing standards.

### *Audit Committee*

The audit committee is primarily responsible for appointing and pre-approving the services performed by I-trax's independent auditors as well as reviewing and evaluating I-trax's accounting principles and reporting practices. The audit committee is also responsible for monitoring I-trax's system of internal accounting controls and has the responsibility and authority described in its charter, which is included as **Exhibit A** to this proxy statement.

The audit committee consists of three members - Ms. Lieberman, chairperson, and Messrs. Mintz and Smith. The board has determined that Ms. Lieberman and each of Messrs. Mintz and Smith are audit committee financial experts who meet the Securities and Exchange Commission's criteria for financial expert and each is financially sophisticated for the purposes of the AMEX listing standards. The board has also determined that Ms. Lieberman each of Messrs. Mintz and Smith is independent, as defined in Section 121(A), as in effect on April 1, 2006, of AMEX listing standards and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

The audit committee held five meetings in 2005.

### *Nominating and Corporate Governance Committee*

The nominating and corporate governance committee is primarily responsible for: identifying individuals qualified to become board members and recommending such individuals to the board; and reviewing and overseeing the corporate governance guidelines, policies and procedures developed by management and approved, as applicable, by the board. The committee considers candidates for board membership suggested by other directors and management. The committee may retain a search firm to assist in identifying director candidates. In selecting nominees for director, the committee considers a number of factors, including but not limited to:

- whether a candidate has business and industry experience that is relevant to I-trax, including recent experience at the senior management level of a company at least as large or larger than I-trax;

- the candidate's ability to work constructively with I-trax's management and other directors;
  - the candidate's ability to represent interests of the stockholders;
- the candidate's independence from management and freedom from potential conflicts of interest with I-trax;
- the candidate's reputation, integrity, judgment, skill, leadership ability, interpersonal skills, honesty and moral values;
  - the candidate's financial literacy;
- the candidate's availability, including the number of other boards on which the candidate serves, and his or her ability to dedicate sufficient time and energy to his or her board duties;
  - legal and regulatory concerns; and
- whether the candidate contributes to the range of talent, skills and expertise appropriate for enhancing the board's diversity, overall composition and effectiveness.

Members of the committee and the board may also request additional information about and interview the potential nominee.

The committee will also consider recommendations of nominees for director received from stockholders at least 120 days prior to the anniversary date of I-trax's annual meeting of stockholders for the previous year. In evaluating nominations received from stockholders, the board will apply the criteria and follow the process described above. Stockholders wishing to recommend a nominee for director for the 2007 annual meeting should submit such nomination in writing not later than January 17, 2007 along with any other supporting materials the stockholder deems appropriate, to I-trax's Secretary at 4 Hillman Drive, Suite 130, Chadds Ford, Pennsylvania 19317.

The nominating and corporate governance committee consists of two members - Dr. Nash and Mr. Green. Each of Dr. Nash and Mr. Green is independent, as defined in Section 121(A), as in effect on April 1, 2006, of the AMEX listing standards.

The committee did not hold a separate meeting in 2005. Members of the committee participated in other board meetings concerning director nomination and corporate governance issues and recommended to the board a course of action at those meetings on these matters. The charter of the nominating and corporate governance committee is not posted on I-trax's web site, but it is included as **Exhibit B** to this proxy statement.

### ***Compensation of Directors***

**Board:** Effective May 2005, independent directors receive an annual retainer of \$20,000, a fee of \$1,500 for in person meetings, \$250 per hour of each telephone meeting, and every two years a grant of options to acquire 20,000 shares of common stock that vests over two years. Directors are reimbursed for out-of-pocket expenses incurred in connection with attending board and committee meetings.

**Audit Committee:** The chairperson of the audit committee receives an annual retainer of \$10,000, and each member of the audit committee also receives \$1,500 for each quarterly meeting and every two years a grant of options to acquire 20,000 shares of common stock that vests over two years.

**Compensation Committee:** The chairperson of the compensation committee receives an annual retainer of \$5,000.

***Stockholder Access to Directors***

Stockholders who wish to communicate with directors should do so by writing to the Secretary, I-trax, Inc., 4 Hillman Drive, Suite 130, Chadds Ford, Pennsylvania 19317. Under that process, the Secretary of I-trax reviews all such correspondence and regularly forwards to the board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the board or its committees or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by I-trax that is addressed to members of the board and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters will be brought to the attention of I-trax's audit committee.

***Director Attendance at Annual Stockholders Meeting***

I-trax encourages all of its directors to attend I-trax's annual meeting of stockholders. All of the individuals then serving as directors attended I-trax's 2005 annual meeting of stockholders.

**RECOMMENDATION OF THE BOARD OF DIRECTORS**

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **"FOR"** EACH OF THE NOMINEES LISTED IN THIS PROXY STATEMENT.

**PROPOSAL TWO - RATIFICATION OF INDEPENDENT AUDITORS**

I-trax is asking the stockholders to ratify the appointment by I-trax's audit committee of Goldstein Golub Kessler LLP as I-trax's independent registered public accounting firm for the fiscal year ending December 31, 2006. The affirmative vote of the holders of a majority of shares present or represented by proxy and voting at the 2006 annual meeting will be required to ratify the appointment of Goldstein Golub Kessler LLP.

Although ratification is not required by I-trax's Bylaws or otherwise, the board is submitting the selection of Goldstein Golub Kessler LLP to I-trax's stockholders for ratification because the board values I-trax's stockholders' views on I-trax's independent public accounting firm and as a matter of good corporate practice. In the event the stockholders fail to ratify the appointment, the audit committee of the board will reconsider its selection. Even if the appointment is ratified, the audit committee of the board, in its discretion, may direct the appointment of a different independent public accounting firm at any time during the year if the board feels that such a change would be in I-trax's and its stockholders' best interests.

Goldstein Golub Kessler LLP audited I-trax's financial statements for the years ended December 31, 2003, 2004 and 2005.

A summary of the audit and non-audit fees paid to Goldstein Golub Kessler LLP in 2004 and 2005 is as follows:

	Fiscal 2005	Fiscal 2004
Audit Fees	\$ 189,000	\$ 142,000
Audit-Related Fees (1)	5,000	101,000
Tax Fees	--	--
All Other Fees	--	--
Total Fees	\$ 194,000	\$ 243,000

(1) Audit related fees primarily include attest services related to financial reporting that are not required by statute and regulation and accounting consultation concerning financial accounting and reporting standards.

The audit committee’s policy provides for the pre-approval of audit and non-audit services performed by I-trax’s independent auditor. Under the policy, the audit committee may pre-approve specific services, including fee levels, by the independent auditor in designated categories of audit, audit-related, tax services and all other services. All audit and non-audit services for fiscal 2004 and 2005 were pre-approved under the audit committee’s pre-approval policy.

Representatives of Goldstein Golub Kessler LLP are expected to be present at the 2005 annual meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Through September 30, 2005, Goldstein Golub Kessler LLP had a continuing relationship with American Express Tax and Business Services Inc. (“TBS”), from which it leased auditing staff who were full time, permanent employees of TBS and through which its partners provided non-audit services. Subsequent to September 30, 2005, this relationship ceased and Goldstein Golub Kessler LLP established a similar relationship with RSM McGladrey, Inc. (“RSM”). Goldstein Golub Kessler LLP has no full time employees and therefore, none of the audit services performed were provided by permanent full-time employees of Goldstein Golub Kessler LLP. Goldstein Golub Kessler LLP manages and supervises the audit and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

**RECOMMENDATION OF THE BOARD OF DIRECTORS**

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “**FOR**” THE RATIFICATION OF GOLDSTEIN GOLUB KESSLER LLP AS I-TRAX’S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

**CODE OF CONDUCT DISCLOSURE**

I-trax has a Code of Conduct that is applicable to all employees of I-trax, including I-trax's principal executive officer, the principal financial officer and the principal accounting officer. The Code of Conduct is designed to deter wrongdoing and promote ethical conduct, full and accurate reporting in I-trax's SEC filings, compliance with applicable law, as well as other matters. A copy of the Code of Conduct is available on I-trax's website at [www.i-trax.com](http://www.i-trax.com).

Exercise prices are established with reference to our common stock's market price.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT  
AND RELATED STOCKHOLDER MATTERS**

The table below sets forth, as of March 31, 2006, the number of shares and percentage of common stock beneficially owned by:

- our Chief Executive Officer and four other most highly compensated executive officers based on compensation earned during 2005;
- each director;
- all directors and executive officers as a group; and
- each person who is known by I-trax to beneficially own 5% or more of I-trax's outstanding common stock.

Beneficial ownership was determined in accordance with Rule 13d-3 under the Exchange Act. Under this rule, certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, a person is deemed to beneficially own certain shares if the person has the right to acquire the shares, such as upon exercise of options or warrants, within 60 days of March 31, 2006, the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares includes the amount of shares beneficially owned by such person (and only such person) by reason of any acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date.

To I-trax's knowledge, except as indicated in the footnotes to this table and under applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares shown as beneficially owned by them.

### ***Option Grants***

The following table contains information concerning the stock option grants made to each of the named executive officers during the fiscal year ended December 31, 2005. No stock appreciation rights were granted in 2005. The potential realizable value is calculated based on the term of the option at its time of grant, 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. Stock price appreciation of 0%, 5% and 10% is assumed pursuant to the rules of the Securities and Exchange Commission. The actual price appreciation may be substantially greater than that assumed under these rules. I-trax cannot assure you that the actual stock price will appreciate over the 10-year option term at the assumed or any other level.

In addition, Mr. Thayer received a grant of options to acquire 400,000 shares of I-trax common stock, the vesting of which will accelerate in the event of a change in control of I-trax.

I-trax may terminate Mr. Thayer's employment with or without cause at any time, and Mr. Thayer may terminate his employment upon 90 days' notice or upon shorter notice for good reason. The employment agreement extends automatically for successive periods of one year, unless Mr. Martin elects not to renew the agreement. Mr. Martin's current base salary is \$250,000.

Health Management Solutions may terminate Mr. Martin's employment with or without cause at any time. In addition, Mr. Martin may terminate his employment upon 90 days' notice or upon shorter notice for good reason. Good reason includes the failure by Health Management Solutions to continue Mr. Martin in his executive position, material diminution of Mr. Martin's responsibilities, duties or authority, assignment to Mr. Martin of duties inconsistent with his position or requiring Mr. Martin to be permanently based other than at his current location.

In addition, in the event the agreement is terminated without cause or for good reason, Mr. Martin will remain subject to the non-competition restrictions described below only as long as he is receiving severance payments.

With the exception of the circumstances described in the immediately preceding paragraph, Mr. Martin agreed not to compete against Health Management Solutions for a period of one year following the expiration of the initial term or any renewal term, even if the actual employment is terminated prior to such expiration. Mr. Martin also agreed not to use or disclose any confidential information of Health Management Solutions for at least five years after the expiration of the original term or any renewal term, even if the actual employment is terminated prior to such expiration.

***Raymond J. Fabius, M.D.***

I-trax entered into an employment agreement with Dr. Fabius on April 15, 2005. The agreement is for an initial term of three years and renews automatically for an additional term of two years. Dr. Fabius's initial annual compensation is \$275,000 and Dr. Fabius will receive an annual bonus specified in the employment agreement. In addition, Dr. Fabius received a grant of options to acquire 400,000 shares of I-trax common stock, the vesting of which will accelerate in the event of a change in control of I-trax.

I-trax may terminate Dr. Fabius's employment with or without cause at any time, and Dr. Fabius may terminate his employment upon 60 days' notice or upon shorter notice for good reason. Good reason includes the failure by I-trax to continue Dr. Fabius in his position, material diminution of his responsibilities, duties or authority, assignment to him of duties inconsistent with his position or requiring him to be permanently based other than at his current location.

If Dr. Fabius's employment is terminated without cause or for good reason, I-trax will pay Dr. Fabius severance equal to two year's salary, payable over two years, plus an additional amount equal to two times the average bonus received by Dr. Fabius during the immediately preceding two years.

Dr. Fabius has agreed not to compete against I-trax for a period of one year or while receiving severance, whichever is longer, following the expiration of the initial term or renewal term, even if the actual employment is terminated prior to such expiration. On November 17, 2004, I-trax entered into employment agreements with Messrs. Bock and Rozenfeld. I-trax may terminate each executive's employment with or without cause at any time, and each executive may terminate his employment upon 90 days' notice or upon shorter notice for good reason. Good reason includes the failure by I-trax to continue the applicable executive in his executive position, material diminution of his responsibilities, duties or authority, assignment to him of duties inconsistent with his position or requiring him to be permanently based other than at each executive's current location.

If either executive's employment is terminated without cause or for good reason, I-trax will pay to the applicable executive severance equal to one year's salary, payable over one year.

Each executive has agreed not to compete against I-trax for a period of one year following the expiration of the initial term or renewal term, even if the actual employment is terminated prior to such expiration. Each executive has also agreed not to use or disclose any confidential information of I-trax for at least five years after the expiration of the original term or additional term, even if the actual employment is terminated prior to such expiration.

*Change of Control Arrangements*

The compensation committee, as administrator of I-trax's 2000 Equity Compensation Plan and 2001 Equity Compensation Plan, can provide for accelerated vesting of the shares of common stock subject to outstanding options in connection with certain changes in the control of I-trax.

**COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT**

Based upon the copies of Section 16(a) reports that I-trax received from such persons for their 2005 fiscal year transactions in I-trax common stock and their common stock holdings and the written representations received from one or more of these persons that no annual Form 5 reports were required to be filed by them for the 2005 fiscal year, I-trax believes that all reporting requirements under Section 16(a) for such fiscal year were met in a timely manner by I-trax's executive officers, board members and greater than 10% stockholders, except that each of Mr. Thayer and Dr. Fabius filed a late Form 4.

## **CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

I-trax Health Management Solutions, Inc., a subsidiary of I-trax, is a party to a consulting agreement with Innovative Health Strategies, LLC, a consulting firm affiliated with Mr. Green, a director. Under the agreement, the entity agreed to introduce Health Management Solutions to potential customers for I-trax's services and Health Management Solutions agreed to compensate the consulting firm upon closing of transactions with such potential customers. I-trax has not made any payment under this consulting agreement. Health Strategies is a holder of options to acquire 6,400 shares of I-trax common stock at \$3.125 per share. Health Industry Investments, LLC, also an affiliate of Mr. Green, is a holder of options to acquire 40,000 shares of I-trax common stock at \$2.75 per share.

Mr. Green is now a partner in the firm Gardner Carton & Douglas LLP. I-trax paid Gardner Carton \$9,000 and \$5,000 in 2005 and in the first quarter of 2006, respectively. In 2005, I-trax also paid Mr. Green and certain of his affiliates \$35,000 as a "finder's fee" in connection with the CHD Meridian Healthcare merger.

The Certificate of Incorporation of I-trax limits the liability of I-trax's directors for monetary damages arising from a breach of their fiduciary duty as directors, except for any breach of the director's duty of loyalty to I-trax or its stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for any transaction from which the director derived an improper personal benefit and as otherwise required by Delaware General Corporation Law. This limitation of liability does not limit equitable remedies such as injunctive relief or rescission.

I-trax's bylaws require I-trax to indemnify its directors and officers to the fullest extent permitted by Delaware law, including in circumstances in which indemnification is otherwise discretionary under Delaware law.

## COMPENSATION COMMITTEE REPORT

The compensation committee consists of Philip D. Green, Esq. and Gail F. Lieberman. The committee determines executive officers' salaries, bonuses and other compensation, and administers I-trax's 2000 Equity Compensation Plan and Amended and Restated 2001 Equity Compensation Plan.

### *Compensation Policies Applicable to Executive Officers*

The overall compensation program for salaried employees has been designed and is administered to ensure that employee compensation promotes superior job performance and the achievement of business goals and objectives.

The main policy objective of compensation for I-trax's executive officers is to improve stockholder value over the long term. The compensation committee believes that this can best be accomplished by an executive compensation program that incorporates:

- Base salaries sufficient to attract, retain and motivate key executives and provide competitive compensation opportunities.
- Annual bonus and incentive programs that provides opportunity for significant increases in compensation based on meeting or exceeding pre-determined performance target goals.
  - Substantial long-term compensation to reward increases in the value of I-trax.

In the judgment of the compensation committee, I-trax performed well in 2005, confirming that the compensation program is supporting I-trax's growth objectives.

### *Base Salary*

All of I-trax's executive officers have employment agreements that set their base compensation.

### *Annual Bonus*

Executive officers and certain other key personnel of I-trax are eligible for cash bonuses after the end of each fiscal year. The compensation committee determines bonuses for Frank A. Martin, Chairman, and R. Dixon Thayer, Chief Executive Officer. Generally, bonuses are based on the overall performance and financial results of I-trax, including I-trax's achievement of goals pertaining to revenue growth, cost reductions, improved operating methods, acquisitions, and accounting controls. These factors are weighted and then I-trax's fulfillment of these goals is evaluated. Bonuses for other executive officers are recommended by the Chairman and the Chief Executive Officer and then submitted to the committee for its approval. In making recommendations, the Chairman and the Chief Executive Officer determine how each executive officer contributed to I-trax's achievement of its goals.

Each of the named executive officers received a bonus in 2005. With the exception of the bonus awarded to Dr. Raymond J. Fabius, President, which was agreed upon when I-trax and Dr. Fabius entered into an employment agreement, all bonuses were discretionary. The bonuses were awarded because I-trax achieved several important milestones in 2005, including a successful restructuring by management of I-trax's operations in the second quarter followed by profitable third and fourth quarters.

### ***Stock Incentives***

Under I-trax's Equity Compensation Plans, stock options may be granted to I-trax's executive officers. Executives generally receive stock incentives through initial grants at the time of hire and periodic additional grants. The compensation committee determines the number of stock incentives to be granted based on an officer's job responsibilities and individual performance evaluation. This approach is designed to encourage the creation of long-term stockholder value as the committee believes that the significant equity interests in I-trax held by management aligns the interests of stockholders and management and maximizes stockholder returns over the long term. In 2005, each named executive officer, excluding Mr. Martin, received a stock option grant. The grants were primarily related to the applicable named executive officers joining I-trax.

### ***Compensation of the Chairman and the Chief Executive Officer***

***Chairman.*** In 2005, Mr. Martin's overall compensation package consisted of base salary of \$250,000 and a cash bonus of \$80,000 that was paid in 2006. Mr. Martin did not receive stock incentives in 2005. Mr. Martin's 2005 compensation is intended to recognize that Mr. Martin accomplished his goal of expanding I-trax's executive team and implementing I-trax's strategic plans to shepherd continued growth and successfully implemented an investor relations program to increase I-trax's visibility in the investor community.

***Chief Executive Officer.*** Mr. Thayer joined I-trax in February 2005. In 2005, Mr. Thayer earned a base salary of \$258,000 (\$300,000 annualized) and a cash bonus of \$100,000 that was paid in 2006. Upon joining I-trax, Mr. Thayer also received a stock option grant covering 400,000 shares of I-trax common stock. Mr. Thayer's 2005 compensation is intended to recognize that Mr. Thayer was instrumental in implementing I-trax's restructuring in the second quarter, which led to profitable third and fourth quarters.

The committee intends for the Chairman's and the Chief Executive Officer's compensation in future periods to relate directly to the overall performance of I-trax as measured by growth, client satisfaction and financial criteria.

### ***Deductibility of Compensation***

Under Internal Revenue Code Section 162(m), a company generally may not deduct compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the other four most highly compensated officers. Certain "performance based compensation" is not included in compensation for purposes of the limit. The committee believes that the current structure of I-trax's executive compensation does not give rise to Section 162(m) concerns. The compensation committee will continue to assess the impact of Section 162(m) on its compensation practices.

**I-TRAX, INC.**

**AUDIT COMMITTEE CHARTER**

(Ratified on May 19, 2004)

**I. Purposes of the Committee**

The primary purpose of the Audit Committee (the “**Committee**”) is oversight. The Committee will assist the Board of Directors (the “**Board**”) in fulfilling its responsibility to oversee:

- Management’s conduct of the Corporation’s financial reporting process;
- The financial reports and other financial information provided by the Corporation to the Securities and Exchange Commission (the “**SEC**”) and the public;
  - The Corporation’s system of internal accounting and financial controls;
  - The performance of the Corporation’s internal audit function, if established;
  - The independent auditors’ qualifications, performance, and independence; and
  - The annual independent audit of the Corporation’s financial statements.

The Committee has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors.

The Committee will also prepare the report that the SEC rules require be included in the Corporation’s annual proxy statement.

The Corporation’s management is responsible for preparing the Corporation’s financial statements. The independent auditors are responsible for auditing those financial statements. Management, including the internal audit function, and the independent auditors, have more time, knowledge, and detailed information about the Corporation than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Corporation’s financial statements, or any professional certification as to the independent auditors’ work, including with respect to auditor independence. Each member of the Committee is entitled to rely on the integrity of people and organizations from whom the Committee receives information and the accuracy of such information, including representations by management and the independent auditors regarding non-audit services provided by the independent auditors.

**II. Committee Membership**

The Committee will consist of not less than two, nor more than four, members who will be appointed by the Board from among its members. Each member of the Committee must satisfy such criteria of independence as the Board may establish and such additional regulatory or listing requirements as the Board may determine to be applicable or appropriate.

Accordingly, each member of the Committee must be financially literate within a reasonable period of time after appointment to the Committee, and at least one member of the Committee shall be an “audit committee financial expert” as defined by the SEC.

The actual number of members will be determined from time to time by resolution of the Board. Two members of the Committee will constitute a quorum.

### **III. Committee Structure and Operations**

The Board will designate the Chair of the Committee. The Committee will fix its own rules of procedure and will meet where and as provided by such rules or by resolution of the Committee. In addition to the regular meeting schedule established by the Committee, the Chair of the Committee may call a special meeting at any time.

The Secretary of the Corporation will be the Secretary of the Audit Committee, unless the Committee designates otherwise.

In the absence of the Chair during any Committee meeting, the Committee may designate a Chair pro tempore.

The Committee will act only on the affirmative vote of a majority of the members at a meeting or by unanimous written consent.

The Committee may establish sub-committees to carry out such duties as the Committee may assign.

### **IV. Committee Activities**

The following will be the common recurring activities of the Committee in carrying out its purposes. These activities are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. Appoint the independent auditors to audit the consolidated financial statements of the Corporation and its subsidiaries for the coming year, and recommend to the Board ratification of that appointment by the shareholders.
2. Pre-approve all audit and non-audit services to be provided by the independent auditors to the Corporation, and regularly review (a) the adequacy of the Committee’s policies and procedures for pre-approving the use of the independent auditors for audit and non-audit services with a view to auditor independence; (b) the audit and non-audit services pre-approved; and (c) fees paid to the independent auditors for pre-approved audit and non-audit services.
3. Regularly review with the independent auditors (a) the arrangements for and the scope of the independent auditors’ audit of the Corporation’s consolidated financial statements; (b) the results of the audit by the Corporation’s independent auditors of the Corporation’s consolidated financial statements; (c) any audit problems or difficulties encountered by the independent auditors and management’s response; (d) any significant deficiency in the design or the operation of the Corporation’s internal accounting controls identified by the independent auditors and any resulting recommendations; (e) all critical accounting policies and practices used by the Corporation; (f) all alternative accounting treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures, and the treatment preferred by the independent auditors; and (g) other material written communications between the independent auditors and management. The Committee will report the foregoing to the Board with such recommendations as it may deem appropriate.

4. Review major changes to the Corporation's auditing and accounting principles and practices based on advice of the independent auditors or management.
5. The Committee will (a) request annually from the independent auditors a formal written statement delineating all relationships between the independent auditors and the Corporation consistent with Independence Standards Board Standard Number 1; and (b) discuss with the independent auditors any such disclosed relationships and their impact on the independent auditors' independence.
6. Evaluate, along with the other members of the Board and management the performance of the independent auditors.
7. The Committee, along with the other members of the Board, will discuss with management and the independent auditors the audited financial statements to be included in the Corporation's annual report on Form 10-K, including the Corporation's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations." The Committee will review and consider with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 ("SAS No. 61"), including deficiencies in internal controls, fraud, illegal acts, management judgments and estimates, audit adjustments, audit difficulties, and the independent auditors' judgments about the quality of the Corporation's accounting practices.
8. Discuss with the independent auditors and management the Corporation's interim financial results to be included in each quarterly report on Form 10-Q, including the Corporation's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations." Each such review will include any matters required to be discussed by SAS No. 61, and will occur prior to the Corporation's filing of the related Form 10-Q with the SEC.
9. Periodically review the Corporation's procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by employees of the Corporation, of concerns regarding questionable accounting or auditing matters.
10. Confer with management and the independent auditors as requested by any of them or by the Committee, at least annually, and review their reports with respect to the functioning, quality, and adequacy of programs for compliance with the Corporation's policies and procedures regarding business ethics, financial controls, and internal auditing, including information regarding violations or probable violations of such policies. The Committee will report the foregoing to the Board with such recommendations as it may deem appropriate.
11. Review the expenses of officers of the Corporation who are also members of the Board and such other officers as it may deem appropriate.

12. Review with the Controller and the Chief Financial Officer, at least annually, the activities, budget, staffing, and structure of the internal auditing function of the Corporation and its subsidiaries, including their evaluations of the performance of that function and any recommendations with respect to improving the performance of or strengthening of that function. As appropriate, the Committee shall review the reports of any internal auditor on a financial safeguard problem that has not resulted in corrective action or has not otherwise been resolved to the auditor's satisfaction at any intermediate level of audit management.
13. From time to time, meet separately with management, internal auditors, and independent auditors to discuss issues warranting attention by the Committee.
14. Prepare any report or other disclosure by the Committee required to be included in any proxy statement for the election of the Corporation's directors under the rules of the SEC.
15. Review the adequacy of this charter on an annual basis.
16. Take other such actions and do other such things as may be referred to it from time to time by the Board.

#### **V. Committee Evaluation**

The Committee will annually complete a self-evaluation of the Committee's own effectiveness and provide a report of that assessment to the Board, including any recommended changes to the Committee's charter.

#### **VI. Committee Reports**

The Chair of the Committee will report to the full Board on the Committee's activities, including the results of the Committee's self-evaluation and any recommended changes to the Committee's charter.

#### **VII. Resources and Authority of the Committee**

The Committee has exclusive authority with respect to the retention of the independent auditors described in Section IV of this charter. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Corporation. The Committee has the authority to retain outside advisors, including legal counsel, auditors, or other experts, as it deems appropriate, and to approve the fees and expenses of such advisors.
