Item 8.01 Other Events

Effective as of 5:00 p.m. Eastern Time on April 4, 2006, Crdentia implemented a one-for-ten reverse split of its outstanding shares of common stock. At Crdentia's Annual Meeting of Stockholders held on November 8, 2005, its stockholders approved a proposal to amend its Amended and Restated Certificate of Incorporation (the Existing Certificate) to effect a reverse stock split of all of its outstanding shares of common stock at an exchange ratio ranging from one-to-two to one-to-ten, with the final ratio to be determined by the Board of Directors following stockholder approval. Pursuant to a resolution of the Board of Directors effective as of March 1, 2006, the directors approved an amendment to the Existing Certificate to effect a reverse stock split at an exchange ratio of one-to-ten. No fractional shares will be issued in connection with the reverse stock split. In lieu of fractional shares, stockholders will receive a cash payment based on the market price, after adjustment for the effect of the stock combination, of Crdentia's common stock on the effective date of the stock combination. The reverse stock split also affects options, warrants and other securities convertible into or exchangeable for shares of Crdentia's common stock that were issued and outstanding immediately prior to the effective time of the stock combination.

Beginning on April 5, 2006, Crdentia's common stock will be quoted on the OTC Bulletin Board with the ticker symbol CRDT.

A copy of the Certificate of Amendment to the Existing Certificate filed with the Delaware Secretary of State on March 20, 2006, and copies of the Certificates of Correction of the Certificate of Amendment filed with the Delaware Secretary of State on March 30, 2006 and April 3, 2006, respectively, which documents effect the stock combination, are attached hereto as Exhibits 4.1, 4.2 and 4.3, respectively.

On April 5, 2006 Crdentia Corp. issued a press release announcing the reverse stock split. The press release is filed with this report as Exhibit 99.1.
