## Item 1.01. Entry into a Material Definitive Agreement

On October 30, 2005, the Compensation Committee of our Board of Directors took the following compensation actions with respect to an individual named in the Summary Compensation Table of the proxy statement related to our 2005 annual meeting of stockholders:

Name	Fiscal 2005 Bonus	Option Grant	Time- Vested Restricted Stock Units Awarded	Performance- Vested Restricted Stock Units Awarded	Fiscal 2006 Annual Salary
Peter Kelly (Executive Vice President and Chief Financial Officer)	\$ 200,000	175,000 shares	50,000	50,000	400,000 (no change)

Mr. Kelly's bonus will be payable on December 1, 2005, and his stock option and restricted stock unit awards will be made on December 1, 2005, assuming continued employment. One quarter of the stock option will become exercisable after one year and 1/48<sup>th</sup> of the stock option will become exercisable each month thereafter until the award is fully exercisable after four years. One quarter of the time-vested restricted stock units will be payable on each of the first four anniversaries of the grant date, assuming continued employment. The performance-vested restricted stock units will be payable after four years, but only if Agere's total stockholder return exceeds the market capitalization-weighted total stockholder return for a peer group of nine companies.

In addition, the Compensation Committee formulated a bonus structure for Mr. Kelly for fiscal 2006. Payment of any bonus will depend on Agere meeting a minimum net income target and the extent to which Agere meets revenue and operating income growth targets in fiscal 2006 and will take into account Mr. Kelly's individual performance. If the company and Mr. Kelly perform at the target level, Mr. Kelly would receive a bonus equal to 75% of his base salary.
