This Schedule 13D/A amends the Schedule 13D filed on March 21, 2002 (the "Schedule 13D"), which relates to shares of Common Stock, par value \$0.001 per share, of TiVo, Inc., a Delaware corporation. Capitalized terms used herein but not defined shall have the meaning attributed to them in the Schedule 13D.

Item 2. Identity and Background.

Paragraph 3 of Item 2 is amended and restated in its entirety as follows:

"As of the date hereof, the name, business address, principal occupation or employment, and citizenship of each director and executive officer of NBC, NBC Holding and GE, are set forth on Schedules A, B and C respectively, attached hereto."

Item 4. Purpose of Transaction.

Paragraph 7 of Item 4 is amended and restated in its entirety as follows:

"The Notes are convertible at any time prior to maturity (August 15, 2006) into Common Stock, initially at a conversion price of \$6.73 per share, subject to certain conversion price adjustments including an adjustment on August 23, 2002 if the price per share of the Common Stock is less than the conversion price. The Company may redeem some or all of the Notes, at any time before maturity, at a redemption price, in cash, of \$1,000 per \$1,000 principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. The holder of the Notes may require the Company to repurchase the Notes, in cash at 110% of the principal amount of the Notes plus accrued and unpaid interest, upon certain changes of control and the delisting of the Common Stock."

Edgar Filing: TIVO INC - Form SC 13D/A

Item 5. Interest in Securities of the Issuer.

The first paragraph of Item 5(a) is amended and restated in its entirety as follows:

"The responses of the Reporting Persons to Rows (11) through (13) of the cover pages of this statement on Schedule 13D are incorporated herein by reference. On August 28, 2002, the One Year Warrants and the Five Year Warrants expired pursuant to their terms. On October 8, 2002, the conversion price of the Notes was adjusted to \$3.99 per share pursuant to the terms of the indenture governing the Notes, resulting in approximately 1,020,823 additional shares of Common Stock that may be issuable upon conversion of the Notes pursuant to the terms of the indenture governing the Notes. Accordingly, as of December 31, 2002, NBC beneficially owned in the aggregate 4,009,974 shares of the Common Stock of the Company (assuming the conversion of all of its Notes and the exercise of its Warrants), representing approximately 6.6% of the outstanding shares of the Company (based on the number of shares outstanding as of December 6, 2002 as reported by the Company in its Quarterly Report on Form 10-Q for the quarterly period ended October 31, 2001 filed on December 16, 2002), after giving effect to the issuance of Common Stock by the Company to NBC pursuant to the Note and Warrant Purchase Agreement and assuming NBC's conversion of all of its Notes and Warrants."

SIGNATURES

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
